

SEMINAR SERIES
2023-2024

Swiss National Centre of Competence in Research
NCCR Microbiomes
www.nccr-microbiomes.ch

Tuesdays 12h00 – 13h00 CE(S)T
(unless specified)

Online seminars via Zoom:
<https://unil.zoom.us/j/93394008116>

5 September 2023

Wenyu Gu

Environmental Engineering Institute
EPFL

Microbial CO₂ recovery - Understanding microbial resource allocation in methanogens using a quantitative biology approach

10 October 2023

Kimberly Kline

Department of Microbiology and Molecular Medicine
University of Geneva Medical School

Pathogenesis of polymicrobial biofilm-associated infections

7 November 2023

Marcel van der Heijden

Department of Plant and Microbial Biology
University of Zurich and Agroscope

Microbiomes and sustainable agriculture

5 December 2023

Michael Wagner

Department of Microbiology and Ecosystem Science
University of Vienna

*Introduction to the Austrian Cluster of Excellence
'Microbiomes Drive Planetary Health'
& Next generation chemical imaging based insights on the
human gut microbiome pharmaceuticals interaction network*
